RUA SNERT? AAA WTK*

In a recent national survey conducted by AAA:

46% of teens said they text-messaged while driving

51% of teens said they talked on their cell phone while driving.

Do Colorado teens engage in distracting driving habits as much as other teens nationally? AAA Colorado hopes to find out with an anonymous online survey.

• **Where:** www.aaa.com/teens

• **When:** Now until Sept. 21

• **Why:** Participants who register get a chance to win a new Dell XPS laptop computer, or one of 100 gift certificates worth \$10 from **Beau Jo's Colorado Style Pizza**.
