

NetLingo is featured on the homepage of <http://www.theantidrug.com/>

The screenshot shows the homepage of "Parents. The Anti-Drug." in a Microsoft Internet Explorer browser window. The browser title is "Parents. The Anti-Drug. - Microsoft Internet Explorer". The website header includes the logo "PARENTS. THE ANTI-DRUG." and navigation links for "SPANISH", "CHINESE", "FILIPINO", "KOREAN", and "VIETNAMESE". There is a "DRUG INFORMATION" dropdown menu set to "Select a Drug" and a "SEARCH" box with the placeholder "Enter keyword(s)". A secondary navigation bar contains links for "Drug Information", "Advice", "News", "Is Your Teen Using?", "Community", "Get Involved", and "Partners". Below this is a "GET the PARENTING TIPS NEWSLETTER" section with an "Enter an email address" field. The main content area is divided into several sections: a large image of a brain with "POT AND THE TEEN BRAIN" text below it, stating "Depression, Suicidal Thoughts, Schizophrenia." and "These are all serious consequences of teen marijuana use. Learn How you can protect your child's mental health." with links for "read more", "advice on this topic", and "past features"; a "WHAT'S INSIDE" section with two featured articles: "The Parent Chronicles: Part 3" and "Pot and the Brain"; an "ADVICE & INFORMATION" section with links for "Updated Privacy Policy", "Net Lingo", and "Pharming Parties"; and a "PARENTS@WORK TEACHER'S GUIDE FAITH ACTIVITES" section with three columns of links. At the bottom, there are links for "More Information On..." and "Email a Friend".
