

NetLingo Makes the List of Yahoo's Top Ten Searched Questions of 2011

December 1st, 2011

8. What does SMH mean?

Excellent question. I had no idea, either. Turns out SMH is a text abbreviation for "shaking my head." If you're trying to find out what your kid is saying in her text messages to friends, visit NetLingo.com. Oh, and if your teen texts GANB, you might have a problem.
